

Markquetta "Marti" Johnson

Markquetta "Marti" Johnson, 73, of Amarillo, died Friday, March 4, 2016.

Memorial services will be at 11:00 a.m., Tuesday, March 8, 2016, in Hillside Christian Church Chapel with Mike Nuthman, Care Pastor, and Dr. J. Dennis Johnson, brother-in-law and Nazarene minister, officiating. Burial will be private. Arrangements are by Boxwell Brothers Funeral Directors, 2800 Paramount Blvd.

Marti was born Sept. 29, 1942, in Hollis, OK. to Mark E. and Beth "Spanky" Lewis Hall. They lived in several towns, settling in Borger where she received her high school diploma and later earned her B.S. in Occupational Education with honors from Wayland Baptist University in 1991.

She worked at Tascosa National Bank before retiring in 1984 as Assistant Vice President.

Marti married Marvin Johnson Aug. 1, 1980. They have two sons, Bruce, wife Holly; and Barry and wife Karyn, who have blessed the family with seven grandchildren and seven great-grandchildren. Marti and Marvin belong to the Fisherman Class at Hillside Christian Church.

Marti was actively involved in many social activities and served on a number of banking related boards and organizations. She was a proud member of P.E.O., Chapter B,

Markquetta "Marti" Johnson:
1942-2016

serving as Treasurer and President.

She loved the symphony, Amarillo Little Theater, and playing bridge, serving as president of the Amarillo Bridge Club.

Marti and Marvin loved everything about travelling, enjoying both cruises and land tours. She always brought back some collectables for her home, as she loved to decorate.

Marti took pride in her family, maintaining close relationships.

Thanks to Hospice Care of the Southwest and Ware Living Center for the loving care they provided.

The family suggests memorials to Fisherman's Class at Hillside Christian Church.

The family will receive friends from 5-7 p.m. Monday, March 7, 2016, at the funeral home.

Amarillo Globe-News, March 6, 2016

Betty Shotton Casey Frye

PAMPA — Betty Shotton Casey Frye, 85, of Pampa died Friday, March 4, 2016.

Memorial services will be at 10 a.m. Monday in First United Methodist Church with the Rev. Ruby Moultrie, pastor, officiating. Arrangements are by Carmichael-Whatley Funeral Directors of Pampa.

Betty Shotton Casey Frye:
1930-2016

Betty was born Aug. 31, 1930, in Garden City, Kan., to Fern and John Shotton. She married Leo Casey on Jan. 21, 1950, and moved to Pampa in 1957, where she had a long career in banking at Citizens Bank and Trust.

Leo preceded her in death in 1981. She later married Harry Frye in 1986 and enjoyed the many years they had together. He preceded her in death in 2008.

Betty was an excellent business woman as well as wife, mother and grand-

mother. She also had a strong faith and was a long-time member of First United Methodist Church. She was a board member of Gray County Red Cross, Tralee Crisis Center and Altrusa International of Pampa. She was active in Gray County Heart Association, United Way fundraising and Chamber of Commerce fundraising.

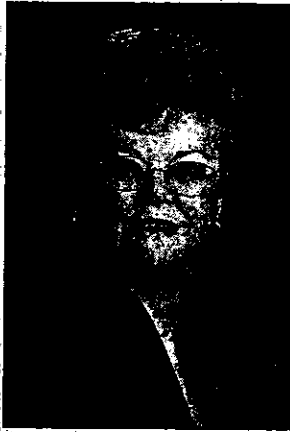

Survivors include a son and daughter-in-law, Bert and Melissa Casey; and a daughter and son-in-law, Ann and Patrick Handren. She was always beaming with pride for her grandchildren, Brenna and William Casey and Matthew and Elizabeth Handren.

The family is grateful to the wonderfully kind caregivers.

In lieu of flowers, the family suggests memorials be to American Heart Association, National Center, 7272 Greenville Ave., Dallas, TX 75231; or Alzheimer's Association, National Headquarters, 225 N. Michigan Ave., Floor 17, Chicago, IL 60601.

Amarillo Globe-News, March 6, 2016

Kay McMinn: 1939-2016

true love.

Being a stay at home mother was not in the cards for Kay, no she thought it very important to support the community and become an advocate for women. She was an excellent example for her daughters and all young women, as she proved nothing was impossible or out of reach. In her own words, Kay stated, "I am interested in advancing the cause of women in Texas, the US and around the world" and thus she did. Kay began her career as a teacher in 1970 until 1981 at Austin Jr. High where she was also the English Department Head. She served as the president of the 900 member Amarillo Classroom Teachers Association from 1980-1981 and also as a president of the Amarillo Educators Association.

In 1981 she decided to

leave her teaching career and start a business of her own. She became State Farm's first woman agent in Amarillo and the Texas Panhandle. In her own words she "started from scratch" and built it into a very successful and thriving business. Kay knew by constant hard work and an emphasis on service she could make a difference not only in the insurance industry but in the community. She continually strived to improve herself by challenging herself. She was a member of the Amarillo Association of Life Underwriters and was a Life Underwriters Training Council Fellow, always staying abreast of changes in the insurance industry to better serve her clients. Kay was also the winner of the George Morris Financial Service Professional of the Year in 2002.

Kay believed in volunteering and felt it not only benefitted the community but the individual. She served as an officer or a board member in many community organizations including the Yellow Rose Pilot Club and League of Women Voters. Kay served as past president for the local American Cancer Society, as past president of the Amarillo Area Association of Insurance Advisors; past president of the Amarillo Women's Network and was a graduate of Leadership Amarillo.

Her successes and

achievements were many however each of them paled when compared to the love and pride she had for her family. She delighted in each of the girls accomplishments and her favorite place to be was on the arm of her beloved husband Dwayne. Kay's heart was filled with joy when surrounded by her family and close friends. It was her undying love for her family that fueled her many successes and gave her comfort in the times of difficulty. Family was everything to Kay.

The family invites you to join them in remembering and celebrating Kay's life at a visitation on Tuesday evening at Schooler Funeral Home from 6 PM until 7 PM.

Kay was preceded in death by her parents and by one grandson, Austin B. Carter.

She is survived by her husband of fifty seven years, Dwayne; her three daughters, Kimberly K. McMinn, Molly Ann Brasher and husband Mike, Meredith Lynn Yarnold and husband Kelly; her sister Judy Judd and her husband Larrie of Trophy Club, TX; her brother, Jim Kendrick of Wichita Falls, TX; and six grandchildren, Chase and Chad Pate, Landon Carter, River and Rain Taylor and Lily Hochstein; and three great-grandchildren.

He really enjoyed every aspect of the tree business, especially his customers.

Donald loved the woods. He enjoyed hunting and fishing. Together, Donald and Glenda built and landscaped their dream home in 1982, where Glenda still resides. Donald finally had time to work on his favorite hobby late in life. He bought some registered black angus cows from Hales. He really enjoyed tending to these animals.

He was preceded in death by his parents; and a brother, Bobby Glen Staton.

Survivors include his wife of 65 years; a daughter, Lori McBrayer and husband Ernie of Amarillo; two

Alice Hefley Henard among Women in Banking honorees

Special to The Sun

WELLINGTON — Alice Hefley Henard, also known as Mother Henard, was very dependable according to her great granddaughter, Bobbie Templeton Rhodes. If she told you something, you could count on her words.

Born Louisa Alice Hefley on July 16, 1862 in Parker County, she married D.M. Henard on March 21, 1886. He had come to Texas from near Bloomington, Ill. The lived here for two years then moved to Old Greer County, Okla., then a part of Texas.

Alice Hefley Henard is among the women in financial institutions that will be honored as their stories are told at the Aug. 26 special event. The Seventh Annual Louise Daniel Women's History Luncheon and Women's Equality Day Celebration will be held from 11:30 a.m. to 1 p.m. this Friday in the Great Hall of Polk Street United Methodist Church, 1401 S. Polk in Amarillo.

Mrs. Henard became one of the directors at Wellington State Bank. She was a very good "money handler" added Rhodes.

She was a widow early in life as her husband's horse had fallen on him. The saddle horn penetrated his stomach and gangrene set in the wound. He died leaving her to take care of the cattle, farming and money management in addition to raising her children.

Mr. and Mrs. Henard lived in a "dug out" at Granite, Okla. but decided to move to Wellington. The place is called "Lucky Corner" because with four roads intersecting you were lucky to get across the road safely.

Mother Henard and her

Courtesy photo for The Sun

Alice Hefley Henard will be honored for her role in the history of banking in Amarillo on Aug. 26. Her great granddaughter, Bobbie Templeton Rhodes who currently lives in Wellington shared this photo. The daughter of John Robert and Jane Cutbirth Hefley, both came to Texas from Mississippi before the Civil War. "Mama Henard" grew up in Parker and Wise counties and attended the schools of that section. She married A.C. Henard who had come to Texas from near Bloomington, Ill. They continued to live near Boonsville for two years, then moved to Old Greer County, then a part of Texas where Mr. Henard engaged in ranching. Still in the Indian country, Mrs. Henard often stayed alone with her babies while her husband rode the range.

home there were flowers everywhere, even in the ditch.

"She and Carrie had bought me a wagon," said Rhodes. "Carrie being crippled, had few flowers. I took the wagon and pulled every flower. I was expecting a spanking but being the kind of Great Gran she thought I was being thoughtful of my grandmother and I got no punishment."

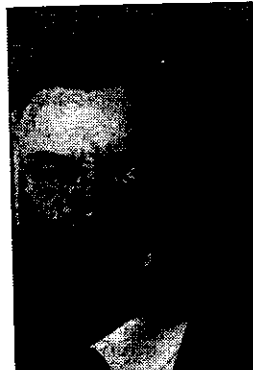

Rhodes recalls a second story of Mama Henard being

first born, John Robert was the first white child born in Indian territory in the "dug out." Her children were Carrie Elizabeth Henard, John Robert Henard, Stella Henard, Bess Henard, and Sherm Henard.

Her daughter Carrie became the bookkeeper at the Wellington State Bank and later married one of the men that started the bank, A.C. Gray. His Wells cousins were also instrumental in the

home there were flowers everywhere, even in the ditch.

"She and Carrie had bought me a wagon," said Rhodes. "Carrie being crippled, had few flowers. I took the wagon and pulled every flower. I was expecting a spanking but being the kind of Great Gran she thought I was being thoughtful of my grandmother and I got no punishment."

Rhodes recalls a second story of Mama Henard being a strong person.

"When they moved from Granite, Okla. the Indians followed them," noted Rhodes. "She decided to fix 'corn dodgers' and then placed them on rocks. The Indians followed, but didn't bother them. She fed them and they in turn respected her. The Indians left necklaces for she and the children."

Although Carrie was the

first born, John Robert was the first white child born in Indian territory in the "dug out." Her children were Carrie Elizabeth Henard, John Robert Henard, Stella Henard, Bess Henard and Sherm Henard.

Her daughter Carrie became the bookkeeper at the Wellington State Bank and later married one of the men that started the bank, A.C. Gray. His Wells cousins were also instrumental in the beginning of the bank.

"Mama Henard was pleased when Carrie married A.C. as she had fallen through a bridge," added Rhodes. "Mrs. Henard and children had to pull Carrie everywhere she went. At 16 she walked again and a horse and buggy was bought. She sent John Robert, Carrie and Bess to Clarendon College. She took care of her children."

...students raised about \$1,000 for the 2015-2016 school year, more than enough to purchase the equipment, which was requested specifically by the students. They also received new balls for each grade.

"The Box Tops for Education program is a way we can generate funds for school in this tough time," said Principal Amy Estes. "We encourage everyone to participate in the Box Tops for Education Program."

History Luncheon to honor women in banking

Courtesy photo for The Sun

One of Carrie Henard Gray's granddaughters, Bobbie Templeton Rhodes who lives in Wellington and is almost 88 years old, recently shared this photo of her grandmother celebrating her 80th birthday. The Wellington Leader published this photo in November 1963. Carrie Henard Gray and her mother, Alice Hefley Henard are among the Women Bankers in the Texas Panhandle 1907-1959 that will be honored on Aug. 26 in Amarillo at the Seventh Annual Louise Daniel Women's History Luncheon and Women's Equality Day Celebration.

Special to The Sun

AMARILLO — The Seventh Annual Louise Daniel Women's History Luncheon and Women's Equality Day Celebration will be held from 11:30 a.m. to 1 p.m. Aug. 26 in the Great Hall of Polk Street United Methodist Church, 1401 S. Polk in Amarillo.

The event will honor women in financial institutions and tell the history of some of the earliest female bankers in the Texas Panhandle. The luncheon is being held this year on the actual date, Aug. 26, of Women's Equality Day, which commemorates ratification of the 19th Amendment to the U.S. Constitution giving women the right to vote.

Although few and far between, women could be found working in Panhandle banks in the early 1900s. In 1902 Carrie Henard

BANKING

From Page 1

became assistant cashier of a private bank started by her father and two other men in Wellington. Thought to be the first woman employed in a bank in this part of the country, she was quoted on her 80th birthday in the Wellington Leader newspaper as saying, "We didn't have any typewriters (or) adding machines to do the work. We did it by hand and up here," tapping her head. In 1906 Carrie again became assistant cashier when her father and others organized a second bank, the Wellington State Bank.

As a young child Carrie had lived with her pioneer family in a dugout in Greer County, Okla.

Indians and desperadoes still roamed the area on hunting expeditions before her father bought land and moved the family to Collingsworth County. Carrie graduated from Goodnight College in 1903 and married Curtis Gray in 1910. They had five children before his passing 13 years later.

Guest speaker for the Aug. 26 luncheon will be Sharon Peddy Baker who has had an extensive banking career in Guymon, Okla. and Amarillo. She has held numerous leadership positions in both banking and civic life. Her topic will be "Women Can Do Anything!"

In 1968 Baker began her banking career at First National Bank in Guymon and was vice-president when she resigned in 1992 and moved to Amarillo. That year she began work for the Comptroller of the Current

ions should be made by Friday, August 19, by sending a check made out to the Amarillo College Foundation to Danita McAnally, 6706 Michelle Drive, Amarillo TX 79109, noting that it's for the Louise Daniel Luncheon.

For more information, e-mail her at dlmcanally@icloud.com. Proceeds will benefit the Louise Daniel Women's History Lecture Fund in the Amarillo College Foundation.

Louise Daniel, who died in 2003 had been an Amarillo science teacher, advocate for students and teachers, a landscape photographer and member and chairperson of the Amarillo College Board of Regents.

The luncheon will honor Daniel's last wish, to remind women of all ages of the struggles and efforts of earlier women to overcome barriers to equality, said Susan Coleman, committee chair. The event will include a drawing for one of Daniel's nature photographs.

Event sponsors include the Henard Family, Amarillo Women's Network, League of Women Voters, American Association of University Women, Amarillo Executive Women, Girl Scouts of Texas Oklahoma Plains, Access Community Credit Union, Amarillo National Bank, Education Credit Union, FirstBank Southwest, Interstate Bank, ssb, Amarillo College Foundation, West Texas A&M University, WTAMU Mortar Board Chapter, Beth Duke, Danita McAnally and Mark and Terry White.

bridge team pickup truck that was in the turning lane on US-287 in Memphis tried to turn left into the Allsup's parking lot and the Honda collided with the truck.

DPS said the pickup that was hit was being driven by a man from Clarendon who was not able to judge the high rate of speed the Honda was traveling at. He turned left into the path of the Honda, which was traveling at about 100 miles per hour, and was struck on the passenger's side.

The crash ended the chase, which lasted for a distance of about 32 miles, at around 10:30 a.m.

Both the driver of the pickup truck and Yellowhorse were injured and taken to the hospital by Lifestar. Both had serious but non-life-threatening injuries.

According to DPS, Yellowhorse is being charge with Aggravated Assault with a Vehicle and Evading in a Vehicle, which are both felony charges. An investigation determined the vehicle Yellowhorse was driving was reported stolen out of Colorado. DPS also said a 9 mm handgun was found inside the vehicle.

DPS said Yellowhorse has outstanding felony warrants out of Colorado. ABC 7 Amarillo looked into the warrants and found that Yellowhorse had been arrested in Colorado in December of 2014 for production and transportation of child pornography.

Yellowhorse is scheduled to be booked into jail once he is released.

easily transmit illnesses to one another due to poor hand washing, uncovered coughs, close contact with people and other factors. When children aren't vaccinated, they are at increased risk of many illnesses prevented by vaccination and can spread disease to others in their classrooms and communities. This includes babies too young to be fully vaccinated and people with weakened immune systems due to cancer or other health conditions.

Oklahoma law requires children to be up to date on vaccinations before enrolling or starting childcare or school in order to protect the health of all students. A schedule showing the vaccines required for childcare attendance is available on the OSDH web site at: <http://go.osdh.gov/x4PKB>

Children entering Kindergarten are due for booster doses of the following vaccines: MMR (measles, mumps, and rubella), polio, DTaP (diphtheria, tetanus and pertussis) and chickenpox.

The second dose of chickenpox is recommended, but not required for school attendance.

Children who recently moved to Oklahoma may need the hepatitis A vaccination. The Hepatitis A vaccine, which is required for students in all grades in Oklahoma, is not required in some other states. Students need at least one dose of hepatitis A vaccine to start school. A second dose is due six to 18 months later.

The need for vaccines doesn't stop at

became assistant cashier of a private bank started by her father and two other men in Wellington. Thought to be the first woman employed in a bank in this part of the country, she was quoted on her 80th birthday in the Wellington Leader newspaper as saying, "We didn't have any typewriters (or) adding machines to do the work. We did it by hand

2A WEDNESDAY, AUGUST 17, 2016 | THE RED RIVER SUN

loan officer. She retired in 2011 but continues to work part-time.

Active in the National Association of Bank Women, Baker was president of the Panhandle group, served in statewide offices and traveled to London, England, with other NABW members and met with British women in banking. She also taught a class at the Texas Tech School of Banking and served on its board, as well as founding the Great Plains Chapter of Bank Administration Institute.

During her years in Guymon Baker served as the first woman president of the Chamber of Commerce, the first woman City Council member and a founder of Leadership Oklahoma. She attended the Southwestern Graduate School of Banking at SMU and graduated from the School of Bank Administration at the University of Wisconsin.

The public is invited to attend the luncheon. The cost is \$15 for students, \$30 for others or \$350 for a table for eight. Reservations should be made by Friday, August 19, by sending a check made out to the Amarillo College Foundation to Danita McAnally, 6706 Michelle Drive, Amarillo TX 79109, noting that it's for the Louise Daniel Luncheon.

For more information, e-mail her at dmcannally@icloud.com. Proceeds will benefit the Louise Daniel Women's History Lecture Fund in the Amarillo College Foundation.

Louise Daniel, who died in 2003 had been an Amarillo science teacher, advocate for students and teachers, a landscape photographer and member and chairperson of the Amarillo College Board of Regents.

the car, which was a 1999 Honda, was speeding.

DPS said the Trooper tried to initiate a traffic stop on the Honda, which was traveling southbound on US-287. The driver, who was identified as 28-year-old Michael Anthony Yellowhorse from Colorado Springs, refused to stop. Yellowhorse continued to evade the Trooper and was consistently driving at speeds well over 100 miles per hour.

Yellowhorse continued driving southbound on US-287, refusing to stop for several miles and he blasted through Clarendon and Hedley, DPS said.

According to DPS, a Hall County Deputy tried to stop the Honda by deploying spikes about four miles north of Memphis but Yellowhorse was able to avoid them and entered the city limits of Memphis at about 100 miles per hour. That's when a 2013 Dodge Ram pickup truck that was in the turning lane on US-287 in Memphis tried to turn left into the Allsup's parking lot and the Honda collided with the truck.

DPS said the pickup that was hit was being driven by a man from Clarendon who was not able to judge the high rate of speed the Honda was traveling at. He turned left into the path of the Honda, which was traveling at about 100 miles per hour, and was struck on the passenger's side.

The crash ended the chase, which lasted for a distance of about 32 miles, at around 10:30 a.m.

Both the driver of the pickup truck and Yellow-

Get vaccines back-to-school

Special to The Sun

OKLAHOMA CITY — Getting all of the recommended vaccines is especially important for children of all ages, especially when they are entering a school or a child care center where disease outbreaks can occur. The Oklahoma State Department of Health (OSDH) advises that whether it's a baby starting at a new child care facility, a toddler heading to preschool, a student going back to elementary, middle or high school, or even a college freshman, parents should check their child's vaccine records.

"Getting children all of the vaccines recommended by Center for Disease Control's (CDC) immunization schedule is one of the most important things parents can do to ensure a healthy future for their child," said Dr. Terry Cline, Commissioner of Health. "If you haven't done so already, now is the time to check with your doctor to find out what vaccines your child needs."

Child care facilities, preschool programs, schools and colleges are all at risk for outbreaks of infectious diseases. Children can easily transmit illnesses to one another due to poor hand washing, uncovered coughs, close contact with people and other factors. When children aren't vaccinated, they are at increased risk of many illnesses prevented by vaccination and can spread disease to others in their classrooms and communities. This includes babies too young to be fully vaccinated and people with weakened immune systems due to cancer or other health conditions.

Oklahoma law requires children to be up to date on vaccinations before enrolling or starting childcare or school in order to protect the health of all students. A schedule showing the vaccines required for childcare attendance is available on the OSDH web site at: <http://go.osdh.gov/x4Pkb>

Children entering Kindergarten are due for booster doses of the following vaccines: MMR (measles, mumps, and rubel-

became assistant cashier of a private bank started by her father and two other men in Wellington. Thought to be the first woman employed in a bank in this part of the country, she was quoted on her 80th birthday in the Wellington Leader newspaper as saying, "We didn't have any typewriters (or) adding machines to do the work. We did it by hand and up here," tapping her head. In 1906 Carrie again became assistant cashier when her father and others organized a second bank, the Wellington State Bank.

As a young child Carrie had lived with her pioneer family in a dugout in Greer County, Okla.

Indians and desperadoes still roamed the area on hunting expeditions before her father bought land and moved the family to Collingsworth County. Carrie graduated from Goodnight

the Chamber of Commerce, the first woman City Council member and a founder of Leadership Oklahoma. She attended the Southwestern Graduate School of Banking at SMU and graduated from the School of Bank Administration at the University of Wisconsin.

The public is invited to attend the luncheon. The cost is \$15 for students, \$30 for others or \$350 for a table for eight. The crash ended the chase, which lasted for a distance of about 32 miles, at around 10:30 a.m.

Both the driver of the pickup truck and Yellowhorse were injured and taken to the hospital by Lifestar. Both had serious but non-life-threatening injuries.

According to DPS, Yellowhorse is being charged with Aggravated Assault with a Vehicle and Evading in a Vehicle, which are both felony charges. An investigation determined the vehicle Yellowhorse was driving was reported stolen out of Colorado. DPS also said a 9 mm

child's vaccine records.

Oklahoma law requires children to be up to date on vaccinations before enrolling or starting childcare or school in order to protect the health of all students. A schedule showing the vaccines required for childcare attendance is available on the OSDH web site at: <http://go.usa.gov/x4PkB>

Children entering Kindergarten are due for booster doses of the following vaccines: MMR (measles, mumps, and rubella), polio, DTaP (diphtheria, tetanus and pertussis) and chickenpox.

The second dose of chickenpox is recommended, but not required for school attendance.

Children who recently moved to Oklahoma may need the hepatitis A vaccination. The Hepatitis A vaccine, which is required for students in all grades in Oklahoma, is not required in some other states. Students need at least one dose of hepatitis A vaccine to start school. A second dose is due six to 18 months later.

The need for vaccines doesn't stop at
